elite | studio e Celebrates 25 Years of Excellence in Foodservice Project Solutions

[Farmingdale, NY] – On January 1, 2025, elite | studio e will proudly celebrate 25 years in business, marking a journey of remarkable growth, innovation, and industry leadership. From its humble beginnings with a three-person team, elite | studio e has evolved into a nationally recognized design/build firm with nearly 50 dedicated professionals, delivering exceptional foodservice project solutions across the country.

Founded by Eric Weiss with a mission to provide first-class service and exceptional quality, elite | studio e introduced the industry to the concept-to-completion model, setting new standards for integrated project delivery. What began as a regional endeavor in the tri-state area has blossomed into a national powerhouse, trusted by higher education institutions, corporate campuses, healthcare, K-12 schools and foodservice providers in all sectors to bring visionary designs to life.

"Reaching this milestone is a testament to the dedication of our team, the trust of our clients, and our unwavering commitment to excellence," said President & COO Ivan J. Weiss. "Over the years, we've expanded our footprint, strengthened our partnerships, and remained true to our core values of delivering white glove service, and innovative and tailored solutions."

This year also marked another significant milestone with the launch of elite | studio e's state-of-the-art Collaboration Hub. Designed to foster creativity, streamline project workflows, and enhance client engagement, the hub exemplifies the company's commitment to continuous innovation and customer-centric service.

As elite | studio e looks ahead to the future, the company remains focused on leveraging its expertise to drive industry advancements, nurture client relationships, and uphold its legacy of excellence.
